

How Can I Help?

Our program provides material supplies and gives clients the chance to shop in our Boutique. This option supplies essential clothing items and other necessary supplies for clients and their babies. As clients shop, we need to restock items in our Boutique. This would not be possible without the generous support of our donors!

Our greatest boutique needs include:

baby toiletries (shampoo, body wash, lotion)	diaper cream
swings / bouncers	diapers & wipes
clothing (24 months and 2T)	infant rattles & teether toys
high chairs, cribs, single & double full size strollers	OR take a look at our Amazon Wishlist: https://a.co/433c47T

Thank you so much for your support and love
for our mamas alongside us!

Want to be involved? Volunteer at one of our centers!
